

To Whom It May Concern,

I am writing to oppose the possibility of LPFM service taking priority over services such as K-Love, heard on FM translators. The music and motivation shared on these broadcasts allow me to remain focused on my religious faith while I deal with life. My concern is that the loss of K-Love broadcasting in my community will leave a void of wholesome, family-friendly programming which may be replaced by a less appealing, generic genre of music and dialogue. These types of stations are plentiful on the airwaves and do nothing to provide the type of stable foundation to support family values and charitable behavior towards others. I pray that your actions will reflect the best interests of our Christian Community. Thanks for your consideration.

Sincerely,
Sharon Powers
